

**Success with  
united forces.**

Gefördert von der  
Metropolregion Nordwest:

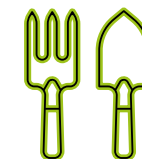

# The Agrotech Valley

...of the agricultural and food industry

## From Farm to Fork

The entire agricultural and food value chain in one region.

# The value creation network Agri-Food

...as an incubator with problem-solving competence in a wide range of topics

HOCHSCHULE OSNABRÜCK  
UNIVERSITY OF APPLIED SCIENCES

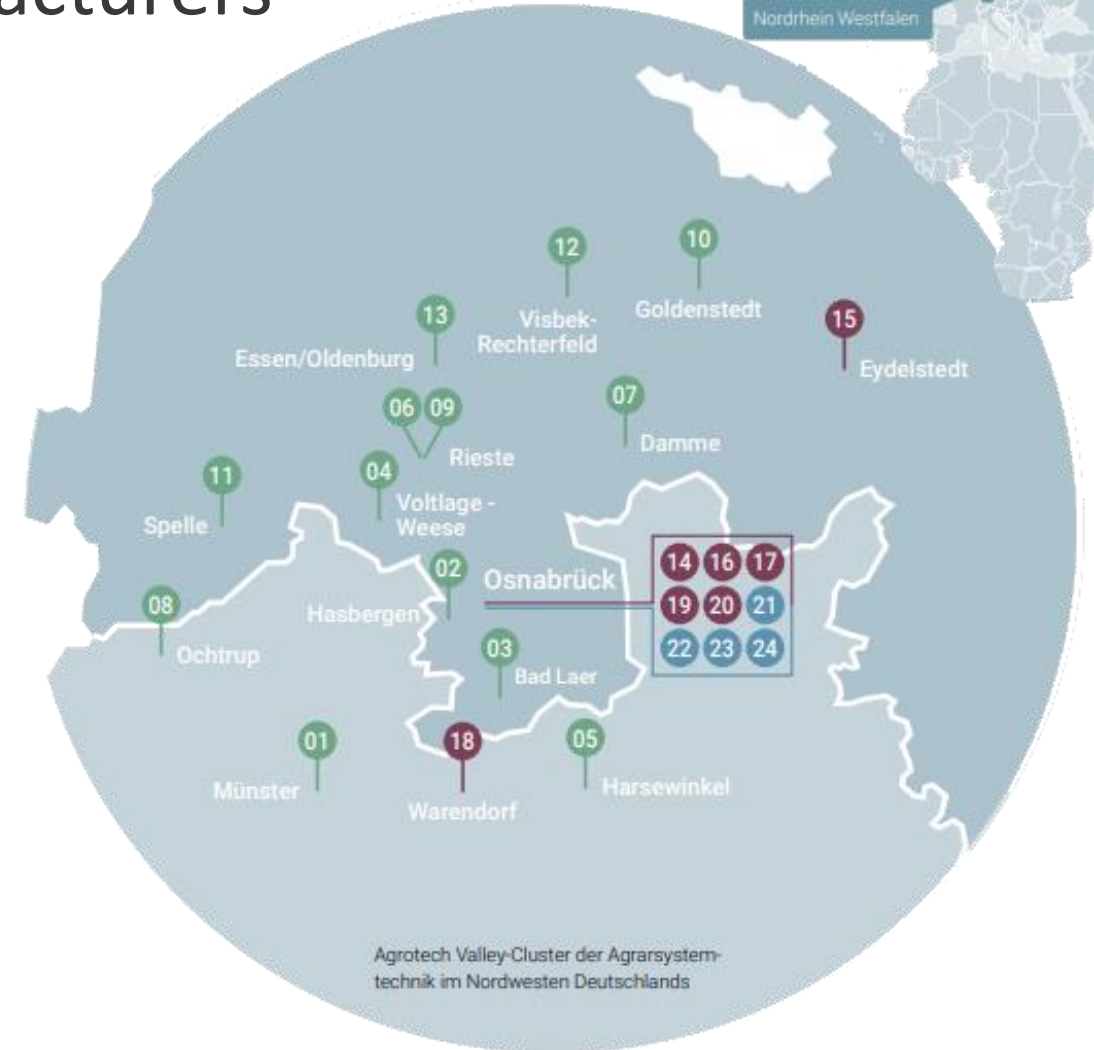

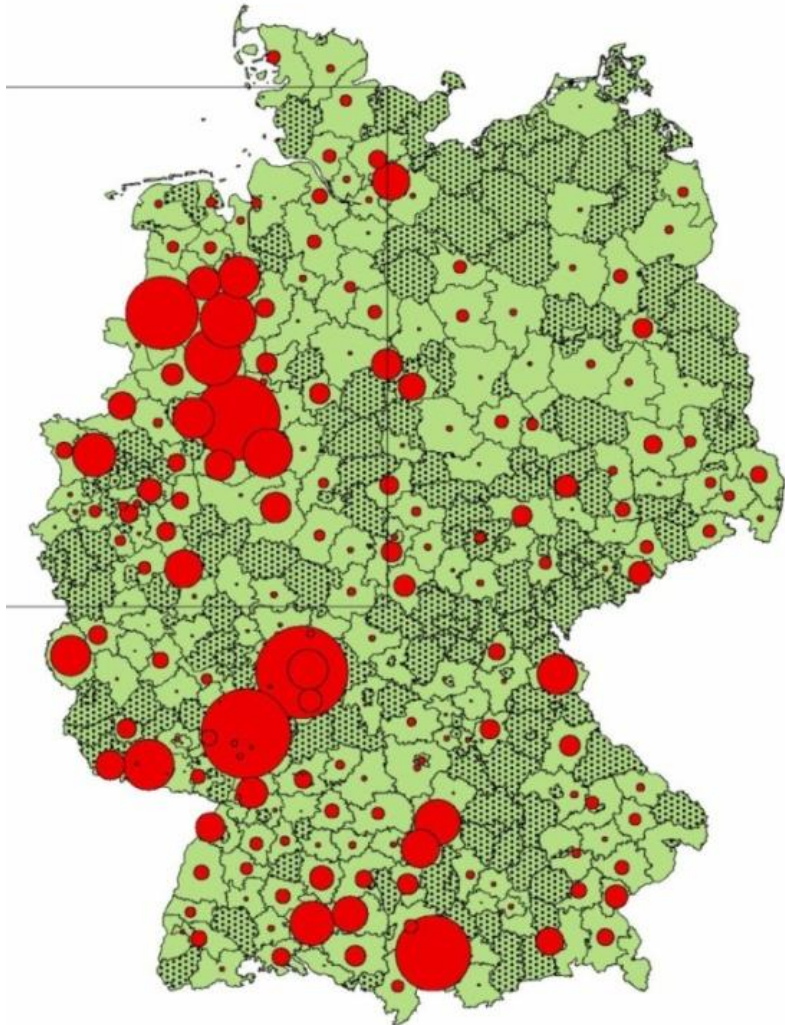

# The Agrotech Valley

...of agricultural machinery manufacturers

Niedersachsen/  
Nordrhein Westfalen

Agrotech Valley-Cluster der Agrarsystem-  
technik im Nordwesten Deutschlands

# The Agrotech Valley

...of science and cooperation

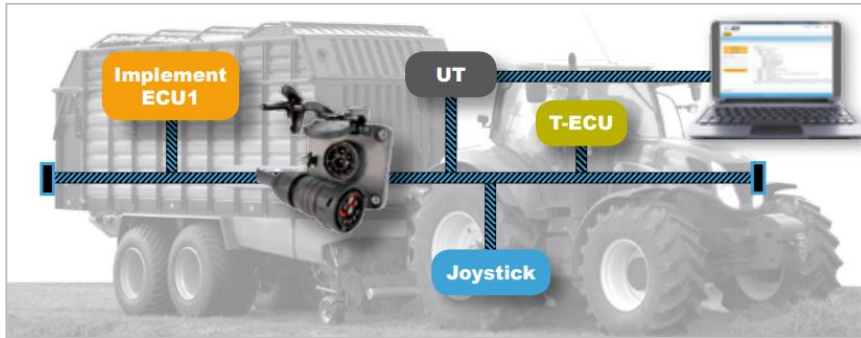

HOCHSCHULE OSNABRÜCK  
UNIVERSITY OF APPLIED SCIENCES

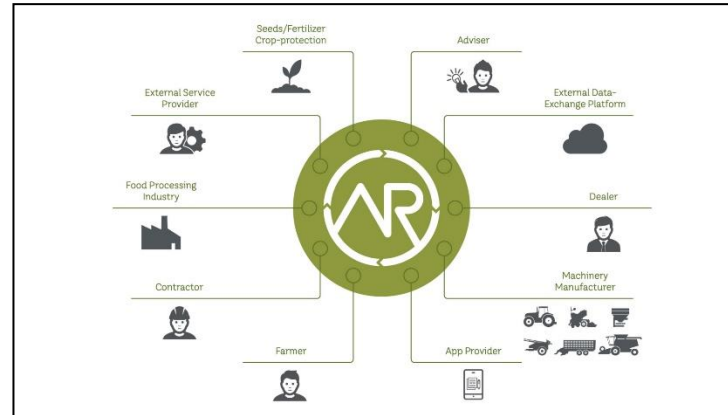

# Data in agriculture – a general view

ISOBUS standard: communication for cross-device/multi-manufacturer electronic connection, control and operation of components

Cross-manufacturer data exchange along the entire value chain

AI ecosystem for the (SME) agricultural and food industry based on GAIA-X

# Regional network of global players

...better together

Facing global challenges, players in the field of agricultural system technology choose to cooperate:

- Interdisciplinary
- Cross-manufacturer
- Industry, research institutions and local authorities
- Market leaders and startups

# Goals of the Agrotech Valley Forum

- Deepening the dialogue between industry and research
- Networking of companies in the northwest region
- Improve the business environment
- Driving force for future research fields in agriculture

# Members of the Agrotech Valley Forum e.V.

**Industry**  
(20 Unternehmen)

**Science**  
(DFKI, HS OS, U OS)

**Communities &  
Local authorities**  
(LKOS, IHK OS)

**Individuals**  
(2)

# A strong cluster of agricultural systems technology

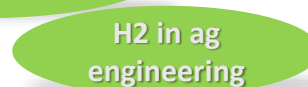

## Key figures 2018 and 2019

	2018	2019
<b>Employees</b>	24,400	24,874
<b>Trainees</b>	1,762	1,821
<b>Turnover</b>	11.95 billions €	12.10 billions €

\* In relation to the 20 member companies of the AVF

# Key topics & fields of activity

	Digital transformation	Drive technology	Recruitment & Business location	Construction & mechanical engineering
Research Projects				
Working Groups		 		

Project amount raised on the initiative and with the participation of Agrotech Valley Forum:

**> 26 millions Euro**

## Established event offerings of the network:

### Technology@Agrotech-Valley

Presentation of the latest technologies

### Update@Agrotech-Valley

Information event

# Offers for cross border cooperation

## ...your way to Agrotech Valley

- Initiation, support and implementation of research and development projects
- Technology transfer projects (public & confidential)
- Collaboration with other national and international professional societies and associations
- Promotion of young scientists
- Stimulus for education, qualification and further education

**Thank you for  
your attention!**

**Dr. Henning Müller**
